May Challenge—Missionary Health Care

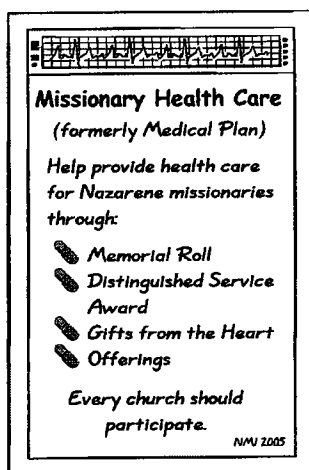

North American health insurance companies will not insure people living overseas. "Therefore, the world Mission Department provides medical, dental, and vision coverage to contracted missionaries and their dependents. This coverage includes doctors, hospitals, prescription medicine, and optical, dental, and

auditory expenses. Life insurance and long-term disability policies are also included.

Missionary Health Care (formerly Medical Plan) helps provide for missionaries' medical needs. In 2005, approximately \$357,000 was given through Distinguished Service Awards, Memorial Rolls, Gifts from the Heart,

and plate offerings. This is approximately one-third of the cost. The need is great. Support our missionaries by giving to Missionary Health Care. The more we give the more this allows the World Mission Department to invest more resources in church planting and evangelism worldwide.

—Heartline

Memorial Rolls and Distinguished Service Awards can be ordered online at www.nazarenemissions.org/medicalplan
